COVID-19 Statement

The Committee of the University of Limerick Law Society acknowledge the serious health risks posed by COVID-19 and the impact this can have upon all the various activities and interactions with our members and the general public. To mitigate and manage the risks to our members and the general public we agree to adopt the following into our Health & Safety Statements BEFORE any memberships or activities can be recommenced during the Academic Year 2020/2021

1. Our Safety Statement will incorporate the Governments Guidelines on COVID-19 as they pertain to the various "Phases" and Health Advice as they pertain to the Activities of our Club/Society
2. Our Safety Statement will include (where applicable) our Sports Governing Bodies and/or Organisations rules and requirements with regards to "Return to play protocols" / activities
3. We are aware and agree to abide by the specific advice and instruction from the University of Limerick with regards to its COVID-19 policies for on campus activities and use of facilities www.ul.ie
4. We agree to undertake the Sport Ireland on-line COVID Training/COVID Officer Training <https://www.sportireland.ie/COVID-19/course>.
5. We agree to email the completed Sport Ireland form as proof of undertaking the course in training and awareness on COVID-19 to the Clubs & Societies Office
6. We agree to appoint COVID Officers
7. We agree to carry out the necessary Risk Assessments of all our planned activities
8. We agree to inform and educate our members on our COVID-19 policies and procedures
9. We acknowledge that failure to comply with these requirements risks the immediate termination of all activities for an indefinite period of time
