

Health & Safety Statement

1 The Society/Club must have a Health & Safety Statement. This must follow the template provided by the Health & Safety Consultants for Clubs & Societies. This will be available on the Clubs and Societies website.

2 The Health & Safety statement must be reviewed annually by the Committee to ensure it remains relevant to the Society/Club's activities and is compliant with any legislative changes or directives issued by a governing body.

3 The Committee will inform its members of their obligations under the terms of the Health & Safety Statement. This should be undertaken at a general meeting and per event/trip briefing
