Clubs and Societies Safety Statement

Academic Year 2024-2025

UL Mens Soccer Club Health & Safety Statement

1. Introduction

This safety statement is designed to set out the control measures that the club/society has in place to reduce the risk associated with its activities to the minimum that is reasonably practicable. The document sets out the role of the Club's officers with respect to safety. It also sets out the standards that the Students Union requires the club/society to adhere to. The officers have overall responsibility for ensuring safety standards are high and that members are aware of these standards.

Officers should bring this document to the attention of their members and explain to them the basic safety rules that all members must adhere to when participating in club/society activities.

1.1 Role of the Chairperson of the Club

The chairperson's role with respect to safety involves the following;

- Ensuring that everyone is familiar with the Safety Statement,
- That there are first aiders and first aid equipment available if required,
- That trip leaders are suitably experienced,
- Ensuring that novices are well looked after
- That relevant training is provided where necessary,
- That everyone is aware of the action to be taken in an emergency.

1.2 Role of the UL Mens Soccer Club Member

The UL Mens Soccer Club endeavours to offer their members a safe environment in which to participate in activities. The Officers will, to the best of their abilities, bring to the attention of members the risks associated with the activities.

However members are expected to make themselves aware of hazards and to be responsible for their own health and safety. They must not jeopardize the health and safety of other members through their own actions. Members are expected to follow instructions given by Officers or trip leaders. Members should attend relevant training courses provided for them. They should raise any safety concerns that they have with their safety officer.

Members should inform a Manager or trip leader of any relevant medical conditions that might impinge on their ability to participate or that might affect emergency first aid treatment. Members are responsible for obtaining as much information as possible about any planned activity, so as to be able to make an informed decision as to whether it is a suitable activity for them.

1.3 Communicating the Contents of the Safety Statement

An administration seminar is held on an annual basis. The overall content of the Safety Statement will be dealt with at this seminar. At least one club/society officer must attend the seminar and inform other officers of the content as per the ULSU requirement for Clubs & Societies

1.4 Governing Bodies

The Football Association of Ireland (FAI) is the main governing body of soccer within Ireland and as such the UL Mens Soccer Club must adhere to its Laws of the Game and practices. Within the FAI is a branch that governs third level football, leagues and official matches are organised by this

branch and all rules should be adhered to. The Women's Soccer Colleges Association of Ireland (WSCAI) administers and manages all women's third level soccer in Ireland. The men's soccer is split in two sections; the league and intervarsity. The College and University Football League (CUFL) is managed by the FAI, while the Irish Universities Football Union (IUFU) manages the intervarsity competitions.

1.5 Mens Soccer Club Coaches Qualifications

Coaches who wish to participate in UL Mens Soccer Club activities/teams must have a minimum level of coaching qualifications from courses that the FAI provides. The FAI Coaching qualifications have experience levels. Anyone who wishes to gain their coaching badges should contact the FAI and ask for the relevant information and course dates/locations.

Level 0: Kick Start 1 & 2, Senior Intro and GK Intro

Level 1: Youth Cert, Senior Cert and GK 'B' License

Level 2: UEFA 'B' License and GK 'A' License

Level 3: UEFA 'A' License

Level 4: UEFA Pro License

FAI Coach Qualification Roadmap and Information:

<http://www.fais.ie/coaching-corner/>

<http://www.fais.ie/fs/doc/Education%20Programme.pdf>

The UL Mens Soccer Club has varying levels of team and individual participation so one coaching level does not fit all. It is important to remember that

even the lowest level still requires a high degree of health and safety awareness as coaches are expected to manage and train other people and their safety is paramount. Coaches that are looking to manage one of the soccer clubs teams as part of their assessment for coaching badges is an ideal situation.

The Elite teams as guidance should have a minimum of Level 1 certification with Level 2 or higher being ideal. For the other teams a minimum of Level 0 is expected. An exception may be made in certain circumstances where prospective coaches can provide alternative qualifications that are equivalent or have extensive experience in the field. Decisions on this matter are of course subject to the discretion of the committee.

2. Reporting of accidents

Accidents that occur as a result of the club/society activities or while a member is participating in the club/society, activities must be investigated, recorded on the SU accident report form (Appendix 1) and given to the Safety Officer, while a copy sent to the SU, Clubs & Societies Development Officer or Clubs & Societies Liaison Officer within 5 days of the accident occurring.

Members are insured against personal injury while participating in club/society activities. Non members are not. The SU will deal with claims that may arise. Officers must ensure members are signed up and in full compliance with the Clubs & Societies on-line membership registration process www.ulwolves.ie

Accidents are defined as incidents where a person is injured to such an extent that they require first aid or other medical treatment (doctor, nurse, hospital visit).

2.1 Serious accidents and fatalities

Serious accidents or fatalities must be reported to the Clubs & Societies Development Officer, Paul Lee as soon as possible. If the C&S Development Officer is not available the General Manager must be notified or the President of the Students' Union or the Clubs & Societies Liaison Officer

Contact details

- Paul Lee, Clubs & Societies Development Officer, (w) 061-213477-(m) 086-0435307
- Liz Gabbett, Clubs & Societies Liaison Officer (w) 061-234891 – (m) 086-0435308

- UL Student Union President (w) 061 202326 - (m) 086-0435300

3. First aid

For activities where there is a risk of minor injury an officer of the club/society must be designated to maintain a suitable first aid kit. For activities where there is a higher risk of injury the club should have a designated trained first aider with each group.

A first aid kit should be present specifically at all trainings, with the managers ideally having a first aid cert. On match days the two Elite Senior teams are required to have qualified physios present at all competitive games and so they will provide their own first aid kits and other equipment. In non competitive matches for the Elite Senior teams where a physio is not present, it is required to have a medical kit present. All other teams are required to have a first aid kit with them as physios are not mandatory in these matches.

Clubs/Societies should contact the Development Officer to arrange to

participate in a first aid course. The first aid kit must be brought on trips away. The recommended contents of a travel first aid kit are given below however certain activities may require specialized contents.

UL Soccer Club Health & Safety Statement

The designated first aiders are:

Craig Reddan

The officer in charge of the first aid kit is the UL Mens Soccer Club Safety Officer:

Mark Nolan

First aid kit contents can be purchased from any Pharmacy and put through the Budget Submission. Alternatively the Sports Dept stocks various supplies of equipment however

these run out quickly.

4. Hiring of transport

When hiring minibuses or other vehicles for club/society outings only those named as drivers (with the appropriate drivers license) are insured to drive the vehicle. Other club members must not drive. Where possible only minibuses fitted with seat belts should be hired, check with the hire company before hand.

4. Clubs & Society Vehicles Usage & Policy

The Students Union's Clubs & Societies Department currently own 3 vehicles for the purposes of enhanced service provision to aid and promote the development of Clubs & Societies activities.

The usage is governed by a protocol and associated forms. Information pertaining to the Vehicles regarding the license category, age restrictions, insurance requirements, towing restrictions and legislation refer to

1 See Appendix 3 Forms Re C&S Vehicles 1 -Vehicle Protocol

2 See Appendix 3 Forms Re C&S Vehicles 2- Committee Letter of Endorsement

3 See Appendix 3 Forms Re C&S Vehicles 3 - Additional Drivers Form

4 See Appendix 5 Clubs & Society Vehicle Information

What to do if the C&S vehicle breaks down

- If you have hazard warning lights, switch them on.
- Move your vehicle on to the hard shoulder. If you cannot do this, take whatever steps you can to warn other drivers of its presence.
- Always get out of your vehicle from the passenger side. Do not attempt to walk on the motorway.
- Get help quickly and do not leave your vehicle unattended for longer than necessary. Wait for help on the embankment side of the motorway.

- To avoid being hit by a passing vehicle, never work on your vehicle from the side that's exposed to traffic. If you can, drive farther off the road to a safe, well-travelled place, and try to reach into the trouble area from the front or the side that's away from traffic.
- If you are driving the Sprinter Van or the Minibus, display your warning triangle behind the vehicle.
- Use the roadside telephone or a mobile phone to tell the Gardai.
- When rejoining the motorway, build up your speed first on the hard shoulder. Watch for a safe gap in the traffic before rejoining it.

UL Soccer Club Health & Safety Statement

- If you know that you're going to need roadside assistance, use your mobile phone to call AA Rescue Service 1800 66 77 88. UL C&S membership number is 6/S 164715
- If you get a flat tire, do not attempt to change it unless you can get to the side of the road and the tire is on the side of the vehicle that's safely away from traffic.

Travelling abroad

When taking any of the vehicles to mainland Europe the club or society must take out AA 5* European Breakdown Cover

What Drivers Must do at an accident or in an Emergency

- If you are involved in an accident, you must stop your vehicle and remain at the scene for a reasonable time. If vehicles are blocking the roadway or posing a danger to other road users, the roadway should be marked and the vehicle should then be removed as soon as possible.
- If you are asked by a Garda, you must give your name and address, the address where the vehicle is kept, the name and address of the vehicle owner, the vehicle's registration number and

evidence of insurance, such as the name of your insurance company or a disc or motor insurance certificate. If there is no Garda at the scene, you must give this information to any person involved in the crash or, if requested, to an independent witness.

- If you or another person is injured and there is no Garda at the scene, the accident must be reported to the nearest Garda station.

If the accident damages only property and there is a Garda in the immediate vicinity you must report it to the Garda. If there is no Garda available you must provide this information to the owner or the person in charge of the property. If, for any reason, neither a Garda nor the owner is immediately available you must give all relevant information at a Garda station as soon as a reasonable possible.

- At the time of the accident don't admit liability. Many people feel apologetic about accidents for which they are not responsible (aggression doesn't signify innocence either).

- Make a note of the name, address and insurance information (company & policy number) of the other people involved.

- Make a note of the registration numbers and positions of any vehicles. Obtain names of any witnesses and Gardai involved.

Tell us about the accident as soon as possible by calling Paul 086 0435307 or Liz 086 0435308

- The ULSU C&S office requires an accident report form to be completed in every case.
- Where a person or persons are injured, the accident must be reported at the nearest convenient Garda Station if no Garda is present at the scene of the accident.
- Where damage to property only is involved it is not necessary to

report the accident at a Garda Station provided the driver gives necessary particulars as b) above to the person whose property has been damaged. If you are involved in an accident with a visiting motorist, report the accident to the Motor Insurers Bureau of Ireland, 39 Molesworth Street, Dublin 2. Telephone: (01) 676 9944.

5. Hiring of venues

If a venue (external to UL) is to be used by the club for its own activities or for events the UL Soccer Club Safety Officer should ensure that there are sufficient trained security persons at the venue for the duration of the event (if required). The officer must clarify whether the venue will provide these or if they need to be supplied by the club. If there is any doubt about numbers of security the ULSU Ents Committee should be consulted. The club/society officer should also request the venue manager to sign the declaration set out in the form (Appendix 2). This form is a fire safety declaration of compliance with the relevant legislation and provides assurance to the club/society officers that the venue is safe from a fire safety perspective. This form is not required when clubs or societies are using conventional venues such as hotel function rooms and nightclubs but is needed when hiring halls, marquees and venues not usually used for large groups.

6. Purchase of services

Where a club/society uses the facilities of a service provider (e.g. windsurfing school, dive centre, outdoor pursuits centre) or equipment belonging to a service provider the UL Soccer Club Safety Officer must ensure that the service provider has public liability insurance. A copy of the certificate of insurance should be obtained by an officer of the club prior to the use of the venue or equipment. A copy of the insurance

certificate must be given to the Development Officer Paul Lee.

Ensure that the insurance policy wording does not exclude any of the activities that your club will be participating in. If the service provider cannot provide a certificate then the club should use an alternative service provider.

7. Hiring in equipment to be used on campus

If a club or society is hiring in equipment for use on campus such as bouncy castles or performers such as fire jugglers, the club's officers must first obtain permission from the Student's Union. Once permission is obtained the club/society must get an up-to-date copy of the service provider's insurance certificate. A copy of the insurance certificate must be sent to;

Cliona Donnellan, UL Buildings & Estates

Fax 202416

Phone ext 2496

The equipment/event can only proceed if the event is given the goahead by UL's insurers through Cliona Donnellan.

8. Safety checks on equipment owned by the SU & club./society

Equipment purchased by clubs is the property of the SU and must be returned to the SU should the club/society cease to operate.

To ensure the safety of users the SU require club officers to carry out visual checks on all equipment whose use could have implications for health and safety, i.e. if the equipment was faulty or in poor condition it may adversely affect the health and safety of users. See Appendix 6

Checks must be carried out at the start of the first term before the equipment is used and the checks must be formally documented. A copy of the visual inspection must be sent to the Development Officer, Paul Lee.

9. Loaning of equipment

Club/Society equipment or equipment belonging to the University must not be loaned to third parties who are not members of the SU club. A member must not borrow equipment for use by third parties even if the club/society member is present or in the group using the equipment.

10. Using electrical equipment

Risks

There are a number of risks associated with electrical equipment.

- If you damage electrical equipment, for example a cable, then bare live wires may be exposed.
- Apparatus may be wrongly connected so that outside metal parts become live.
- Even equipment which does not have a mains power supply itself can become dangerous. For example, some audio systems have loudspeakers with terminals at dangerous voltages.
- Electrical equipment that overheats can cause fire.

Precautions

- Maintenance, inspection and repair should only be carried out by someone who is suitably qualified.
- Do not rely on other people's equipment being in a safe condition or properly connected. Check before you use it.
- Do not connect or use incompatible items of equipment.
- Use a residual current device (RCD) on the power supply to instruments, audio equipment and any other equipment which club members use. If the RCD trips it is a sign that there is a fault that could be dangerous. Do not ignore the warning. Have it checked and get the fault fixed by a competent person.

11. Training of leaders/instructors and ratio of experienced persons to

novices

Where the club is affiliated to a national body, governing body or federation the requirements of that body must be adhered to.

12. Trips in Ireland (day and longer) where club members may be involved in potentially hazardous activities

Club officers must leave contact details with a designated responsible person before setting out on a trip, giving the destination and estimated time of return. The club officer should contact the designated person on return of the club members. In the event that a problem arises the designated person should be instructed to contact the appropriate authorities and the SU. A risk assessment in writing must be produced for trips involving hazardous activities.

13. Foreign Trips (Outside the island of Ireland)

It is MANDATORY to inform the Clubs and Societies Development Officer (Paul.Lee@ul.ie) and the Clubs & Societies Liaison Officer(Liz.Gabbett@ul.ie) in the case of a foreign trip AND the UL Sports Administrator (Neasa.odonnell@ul.ie) with regard to a Club trip. An itinerary is required in advance of all trips outside of the island of Ireland. The itinerary must include

1. Flight/Ferry information, and accommodation phone numbers and a daily schedule of the planned activities
2. The contact details of the Event coordinators while abroad and the person/people designated to be responsible for First Aid (where possible)
3. In Case of Emergency (ICE) contact details must be provided by every participant to the Event Co-ordinators, and provided to the CSDO (and Sports Administrator where applicable) at least a

week in advance of the planned trip

Ensure the Clubs & Societies Travel Insurance Policy Number is brought which is available from CSDO, Clubs & Societies Liaison Officer or ULSU Secretary General in advance of the trip

As per the Health & Safety Statement ensure contact details are available to Event Coordinators for the following

ULSU Clubs and Societies Development Officer 086-0435307

ULSU Secretary General, 086-0435306

ULSU President, 086-0435300

1. Check if a visa is required and make the necessary arrangements with your members
2. Check if vaccinations are required and make the necessary arrangements with your members
3. Collect passport details for all participants and check if all passports are valid until at least 3 months after the trip. Some countries may require passports to be valid for e.g. 6 months after the planned return date.
4. Certain activities require separate insurance to Clubs & Societies main insurance policy for the activities to be undertaken i.e. skydiving, sub-aqua, and the details of these policies must be known to members and CSDO in advance of trips.
5. To avoid unnecessary complications arising from theft and loss of passports while abroad members should have a backup record of their passport either via a photocopy or scanned copy of their

passport and that could be left with a family member. In the event of theft or loss this record should assist greatly in and ability to repatriated members

First Aid Criteria:

1. Ensure adequate First Aid Kits and/or supplies will be present.
2. Ensure First Aid Kits are fully stocked.
3. Ensure competent, certified First Aider(s) will be present if required as per Health & Safety Statement.
4. Ensure First Aid incidents are recorded, and an incident report is completed as per the Health & Safety Statement for future reference and risk management. All incident reports must be provided to the CSDO
5. Inform all participants of who is responsible for First Aid for the trip/event.
6. Ensure that in case of emergency contact details for local and/or appropriate emergency services are known to all participants.

14. Bullying & Harassment

The UL Mens Soccer Club does not tolerate bullying. Bullying is repeated

aggression, verbal, psychological or physical, conducted by an individual or group against another person or persons. Isolated incidents of aggressive behaviour, while to be condemned, and should not be described as bullying. Only aggressive behaviour that is systematic and ongoing should be regarded as bullying. Sanctions will be taken against those found to be in breach of the policy. Club members should contact the Clubs & Societies Development Officer for assistance on this issue. (See Bullying & Harassment Policy Appendix 4)

15. Annual Review of Safety Statement

At the start of the first term the officers of the UL Mens Soccer Club should review the contents of its own safety statement and ensure that the contents are still relevant to the activities of the society/club.

If the club is participating in additional activities that may have safety implications the officers should draw up a policy to state how the club/society is going to minimize the risk associated with those activities.

The names of those designated to look after first aid kits, etc should be changed. A new copy of the Safety Statement should be produced and dated with the current academic year clearly printed on the cover. A copy of the revised Safety Statement must be given to the Development Officer, Paul Lee. The receipt of funding from the SU is contingent on the receipt of an up-to-date Safety Statement.

Appendix 4 Clubs & Society's Bullying & Harassment Policy

The Clubs and Societies are voluntary social, recreational and leisure clubs that run activities for students and staff of the University of Limerick and other membership's categories to enjoy in their leisure time. We envisage

that those in the Club/Society will treat each other with respect and dignity at all times. All members are expected to conduct themselves in appropriate manner at all times and must not engage in any form of bullying or harassment.

All members of the University of Limerick Clubs and Society's must comply with this policy and appropriate measures will be taken against members who disregard this policy and act in an inappropriate manner.

Appropriate disciplinary action, including termination of membership, will be taken against any member who violates this policy.

The policy applies to all members of clubs and societies, members of the Student's Union and any other parties involved in the clubs/societies whether in the University of Limerick or off site whilst engaged in the activities of Clubs & Societies. The policy applies to harassment not only by fellow members but also by a customer or other club/society/University contact to which a member might reasonably expect to come into contact within the course of their club/society membership. Bullying / harassment within the clubs and societies will not be tolerated by the University of Limerick Student's Union under any circumstances. This policy provides for prompt, fair, confidential and effective redress for targets of bullying/harassment.

Definitions:

Harassment

Harassment is defined as any act of conduct which is unwelcome and offensive, humiliating or intimidating on a discriminatory ground including spoken words, gestures, or the production, display or circulation of written material or pictures. Harassment in relation to the nine discriminatory grounds (race, religious belief, age, sexual orientation, disability, marital status, membership of the Traveling community, gender and family status),

is prohibited within the Clubs and Societies. Harassment of any kind will not be condoned by the Clubs and Societies Executive. Any members who are found to have engaged in harassment on any of the grounds will face disciplinary action up to and including expulsion from the Club/Society.

Sexual Harassment

Sexual Harassment is defined as all unwelcome and sexually, or otherwise on the gender ground, offensive, humiliating or intimidating actions involving acts of physical intimacy, spoken words, gestures or the production, display or circulation of written material or pictures, or requests for sexual favours. Sexual harassment is prohibited by the Clubs and Societies Executive. Any members who are found to have engaged in sexual harassment will face disciplinary actions up to and including expulsion from the Club/Society.

Bullying

Bullying is repeated inappropriate behaviour, direct or indirect, whether verbal, physical or otherwise, conducted by one or more persons against another or others, at the Club/Society and/or in the course of club activities, which could reasonably be regarded as undermining the individual's right to dignity. An isolated incident of the behaviour described in this definition may be an affront to someone's dignity but, as a once off incident, is not considered to be bullying. Bullying can include conduct offensive to a reasonable person, e.g. oral or written slurs, physical contact, gestures, jokes, displaying pictures, flags/emblems, graffiti or other material which state/imply prejudicial attitudes which are offensive to fellow members.

Procedures:

There is both an informal and formal procedure to deal with the issue of bullying/harassment within the clubs and societies. It is our aim that any

investigation that takes place will be completed as quickly as possible.

Informal Procedure:

It is often preferable for all concerned that complaints of bullying or harassment are dealt with informally whenever possible. While in no way diminishing the issue or the effects on individuals, an informal approach can often resolve matters more effectively. As a general rule therefore, an attempt should be made to address an allegation of bullying/harassment as informally as possible by means of an agreed informal procedure. The objective of this approach is to resolve the difficulty quickly and effectively, with the minimum of conflict and stress for the individuals.

a) Any member who believes he or she is being bullied/harassed should explain clearly to the alleged perpetrator(s) that the behaviour in question is unacceptable. In circumstances where the member finds it difficult to approach the alleged perpetrator(s) directly, he or she should seek help and advice, on a strictly confidential basis, from a fellow member of the Club/Society. The fellow club member can be a support for the complainant in approaching the alleged perpetrator to explain the reasons they feel they are being bullied or harassed.

It is recognised that it may not always be practical to use the informal procedure, particularly where the harassment / bullying is of a very serious nature.

Formal Procedure:

If an informal approach is inappropriate or if, after the informal stage, the bullying/harassment persists, the following formal procedures should be invoked: -

a) The complainant should make a formal complaint, in writing, to the

Club/Society committee detailing precise details of actual incidents of bullying/harassment; for example, state the name of the alleged perpetrator, the nature of the complaint, dates and times of when the incidents occurred, witnesses, and any action that the complainant may already have taken, if any.

b) The alleged perpetrator(s) should be notified in writing that an allegation of bullying has been made against them. They should be given a copy of the complainant's statement as soon as is practicable and advised that they shall be afforded a fair opportunity to respond to the allegation(s), within specified time limits. No outcome regarding the complaint will be made until a full and fair investigation has taken place.

c) Before commencing an investigation, the Club/Society committee may take the decision to exclude the alleged perpetrator from any Club/society activities while the investigation is ongoing if it is deemed appropriate. This in no way implies any wrong doing on the part of the perpetrator but will be taken as a cautionary measure to prevent exacerbating the situation between the complainant and the alleged perpetrator.

d) The Club/Society committee will appoint two members of the committee who will be tasked with investigating the complaint. They will prepare clear terms of reference which outline the background to the complaint, who should be interviewed through the course of the investigation and the timeline in which to resolve the complaint.

e) Meetings will be arranged with the complainant, the alleged perpetrator and any named witnesses. All will be asked to respond to the complaint and detail their version of events. Both parties and

witnesses have the right to be accompanied by a representative at all meetings. Meeting notes will be taken and once committed to type must be signed by the relevant person who was interviewed as a true and accurate reflection of the discussion.

f) Those investigating will prepare a report of their findings and submit it to the Clubs/Societies committee for a final decision. The two committee members who have taken part in the investigation should not make a decision regarding the outcome.

g) Once a decision has been made, the complainant and the alleged perpetrator must be informed as soon as is practicable.

h) If the complaint is upheld, the Club/Society committee will instigate the Clubs and Societies Disciplinary Procedures. Actions taken can include expulsion from the Club/Society.

i) If the complaint is not well found, both parties should be brought together by the Club/Society committee and a mediation process should be implemented to ascertain whether both members can move on and continue to partake in the club/societies activities.

j) If the complaint is discovered to be malicious or vexatious, the Club/Society committee may instigate the Clubs and Societies disciplinary procedures against the complainant.

k) Retaliation of any kind against the member for complaining may also constitute bullying/harassment and is a serious disciplinary offence.

Appeals Process

If either party is unhappy with the outcome of the investigation, both parties have the right to appeal to the Clubs and Societies Executive Committee within 5 working days of the findings being issued. A party,

who wishes to appeal the outcome, should put the reason for the appeal in writing and address it to the Student's Union President.

Upon receiving the appeal letter, the Clubs and Societies Executive Committee will appoint two members of the Committee to hear the appeal. They may choose to conduct further investigations or implement a new investigation. A decision regarding the outcome should be taken within ten working days of receiving the appeal.

Statutory Rights:

Members are obliged to exhaust all internal procedures prior to making a complaint to a third party. Using the above complaints procedure, does not affect a member's right to make a complaint under the relevant legislation, i.e. Employment Equality Act 1998, Health and Safety Legislation, or other appropriate industrial relations legislation.

Confidentiality:

All individuals involved in the procedures referred to above should maintain strict confidentiality on the subject. All involved will be reminded of this throughout the investigation process.

Towing a Trailer Legislation

<http://www.rsa.ie/en/RSA/Vehicles-and-Legislation/Vehicle-Standards/Trailers/>

Trailers

Trailers are classified by their weight when they are carrying a load, which is called the Design Gross Vehicle Weight

(DGVW) or maximum mass.

Trailer categories:

- O1 Trailers = DGVW less than 0.75 tonnes. This includes small car trailers.
- O2 Trailers = DGVW between 0.75 and 3.5 tonnes. This includes larger trailers, horseboxes and most caravans.
- O3 Trailers = DGVW between 3.5 and 10 tonnes.
- O4 Trailers = DGVW over 10 tonnes. This includes heavy trailers and articulated or semi-trailers.

Driving Licence requirements

The licence required will depend on what type of towing vehicle you are driving, i.e., whether you are using a car, a

truck or a bus.

Towing an O1 or an O2 trailer with a car, 4x4 or a small van

With an ordinary category B licence, a person can

UL Soccer Club Health & Safety Statement

- tow a trailer of up to 0.75 tonnes DGW, with a vehicle with a DGW of up to 3.5 tonnes and seating for up to

eight passengers (apart from the driver). The combination weight cannot exceed 4.25 tonnes.

- Tow a trailer exceeding 0.75 tonnes DGW, provided that the DGW of the trailer does not exceed the un-laden weight of the towing vehicle, and the maximum combination weight does not exceed a total of 3.5

tonnes.

With an EB license, a person can

- tow a trailer exceeding 0.75 tonnes DGW, with a vehicle with a DGW of up to 3.5 tonnes and seating for up

to eight passengers (apart from the driver) provided that the manufacturer's rated towing capacity for the

towing vehicle is not exceeded.

Brake requirements

For O1 Trailers (DGW not exceeding 0.75 tonnes)

O1 trailers with a single axle are not obliged to have brakes provided that their DGW is less than half the DGW of

the towing vehicle.

O1 trailers that have a DGW greater than half of the DGW weight of the towing vehicle or that have two or more

axles must have brakes fitted.

For O2 Trailers (DGW between 0.75 & 3.5 tonnes)

All O2 trailers must also have brakes fitted. The braking system must include a parking brake.

If the O2 trailer does not have an automatic breakaway device that activates its brakes should it become detached

from the vehicle, then it must be fitted with a secondary coupling consisting of a chain or wire rope.
